- Clothes must at all times be **clean and in a good condition**.
- The School Uniform Policy must be adhered to **at all times—even after school** (e.g. school shoes cannot be replaced with sandals after school).

NOT ADHERING TO SCHOOL UNIFORM POLICY

White River Primary is a proud school. We are proud of our school grounds, our teachers and our parents. Above all we are proud of our learners. We are proud of their academic-, sport- and extra mural achievements. We want to be proud of their appearance as our learners are the ambassadors of our school. To enable us to achieve this, the management of the school has decided that the School Uniform Policy will be implemented and strictly adhered to. A learner will be punished with **2 demerits** if his appearance does not adhere to the school uniform policy. A learner will be punished with **2 demerits** if his appearance is not in accordance to the school uniform policy. If the uniform policy is not adhered to outside school hours, the same punishment will be applicable.
